STUDENT'S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (9/12/2016), or the seventh day after enrollment, whichever is later. Cancellation shall occur when student gives written notice of cancellation to: Director, Tamalpa Institute, 734 A Street, San Rafael, CA 94901. You can do this by mail, hand delivery, or email. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement. You may be given notices of cancellation forms to use at the first day of class, but you can use any written notice that you wish.

If the School has given you any equipment, including books or other materials, you shall return it to the School within 10 days following the date of your notice of cancellation. If you fail to return this equipment, including books, or other materials, in good condition within the 10-day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation.

If you cancel this agreement, the school will refund any money that you paid, less any deduction for equipment not timely returned in good condition, within 30 days after your notice of cancellation is received.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.

Please note that a student enrolled in an unaccredited institution is not eligible for federal financial aid programs.

If a student defaults on a federal or state loan, both the following may occur:

- (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.
